SKILLS

Hard Skills:

- Python (for AI)
- R (for Data Science)
- MySQL
- Java
- Laravel
- PHP
- Bootstrap
- JavaScript
- CSS
- HTML
- C

Soft Skills:

- Analytical skills
- Problem-solving
- Teamwork
- Communication
- Adaptability
- Resiliency
- Attention to detail
- Continuous learning
- Active listening

EDUCATION

Computer Science, focused on Artificial Intelligence (GPA: 3.96 / 4.0)

BINUS University

2020 - Present

- Granted a full 4-year scholarship and finished courses focused on AI (Deep Learning, Machine Learning, etc.) with the highest grade.
- Actively participated in B-Preneur organization as an activist for 1 year.
- Actively participated in many student volunteering activities at BINUS University.

Student Exchange Program (GPA: 4.0/4.5)

Sungkyunkwan University

2023

- Finished courses and projects about Data Science, Probability, and Computer Architectures.
- Actively participated in 2 football clubs, collaborating with people from various country and culture.

PROJECTS

PROFILE

I am a CS student who specializes in Artificial Intelligence with a genuine passion, and my enthusiasm extends to Data Science. My extensive portfolio demonstrates a diverse range of projects, while my curiosity, resilience, and strong work ethic have driven hands-on experiences that refined my knowledge and problem-solving skills. Being an active participant in student activities, I have learned valuable soft skills through collaborative projects and leadership roles. I am now seeking an opportunity to grow my ability in AI/Data related fields and make real contributions.

VOLUNTEER/ORGANIZATIONAL EXPERIENCE

Freshmen Leader (FL) B26

BINUS University   July - September 2022

- Awarded "Excellent Achievement" for guiding and assisting a group of 9 Freshmen throughout their FEP period
- Collaborated with 5 FL to guide and assist a class of 50+ freshmen on all FEP session
- Helped 100+ freshmen from 5+ majors to know more about BINUS & its college life and prepare for their first time attending college
- Volunteered as Prodi Tour guide and Welcoming Festival barricade to give myself an opportunity to engage with and help more freshmen with the hope of giving them a great FEP experience

Freshmen Partner (FP) B25

BINUS University   August 2021 - July 2022

- Awarded "Excellent Achievement" and collaborated with 5 FP to organize weekly meetings with 60+ Freshmen to help them adapt to their new college life
- Organized multiple informal meetings throughout freshmen's 2nd semester for a group of 10 freshmen. I provided soft skill materials and helped/guided them based on their experiences and difficulties

Academic Mentor

BINUS University   October 2021 - February 2022

- Prepared and delivered weekly sessions to a group of 3 students to improve their academic performance on 4 CS-related subjects in their current semester
- Succesfully helped improve their academic performance with some of them successfully getting an A in some of their subjects

PR Staff of Bazaarian Interlude

B-Preneur   June 2021 - January 2022

- Responsible for promoting the event and managed to directly get multiple people to attend the event
- Successfully approached 2 media partners to promote the event

Project Manager of PkM (Pengabdian kepada Masyarakat)

B-Preneur   April - July 2021

- Led 19 staff of the project committee to make 10 Video-Based-Learning materials about finance to be shared with communities
- Achieved 90% KPI Score as the Project Manager
